D3 + K2

Neutrient D3 + K2 is an advanced vegan oral spray delivering maximised absorption of bioactive forms of vitamins D3 and K2. Just one spray a day provides 2000 IU of vitamin D3 perfectly balanced with 75 mcg vitamin K2 as MK-7. 20% to 60% of the population in Europe suffer from a vitamin D deficiency.

POPULAR WITH:

- The elderly, pregnant women and people with darker skin
- People requiring additional bone support (menopausal women)
- People who require daily immune support
- Those who experience digestive discomfort with supplements
- Athletes, gym fanatics and sporty lifestyles
- City commuters, global travellers and urban lifestyle
- People who find tablets and capsules difficult to swallow

NEUTRIENT D3 + K2

- ✓ High dose 2000 IU vitamin D3 and 75 mcg vitamin K2 in 1 spray
- ✓ 150 sprays per 20ml bottle, adults 1 spray daily
- ✓ Highly bioactive forms of vitamin D3 and vitamin K2 (Mk-7)
- ✓ Handy oral spray providing maximised absorption
- ✓ Vitamin D3 (lichens), vegan certification from The Vegan Society
- ✓ 2-year shelf life, recyclable packaging, no additives
- ✓ Vitamin D3 is the most bioactive form of vitamin D
- ✓ Vitamin D3 is more effective than D2 at raising blood levels

FAST • POTENT • EFFECTIVE

RRP £19.98 €23.98 CODE: D3/K2

DOES NOT CONTAIN: Alcohol, sugar, gluten, soy, palm oil

BONE HEALTH

IMMUNE SUPPORT

MUSCLE FUNCTION

MAXIMISED ABSORPTION

Oral sprays deliver fast, maximised absorption compared to tablets and capsules which are dependent on intestinal absorption rates. With an oral spray, vitamin D3 passes rapidly through the soft tissues inside the mouth and heads straight into the bloodstream.

KEY NUTRITION APPLICATIONS

These two daily wellness vitamins contribute to normal:

- muscle and immune function
- maintenance of normal bones and teeth
- absorption of calcium and phosphorus
- blood clotting and blood calcium levels
- process of cell division
